Charging and Remission Policy

Updated Statement of intent

Clearwell C of E Primary School is committed to ensuring equal opportunities for all pupils, regardless of financial circumstances, and have created this policy to ensure we adhere to legal requirements regarding charging for school activities and meet all statutory guidance provided by the DfE.

[Updated] The school will ensure that this policy is published on its website and provides the school community with details of activities for which the school will charge parents, and the circumstances in which they will waive any charge parents would otherwise expect to pay.

- **[New]** DfE (2024) 'Maintained schools governance guide'

- The Education (Prescribed Public Examinations) (England) Regulations 2010

[Updated] This policy operates in conjunction with the following school policies:

- Complaints Procedures Policy
- **[New]** Data Protection Policy
- Finance Policy
- Freedom of Information Policy

2. **[New]** Definitions

For the purposes of this policy the following definitions will be used:

Charge: a fee payable for specifically defined activities.

Remission: the cancellation of a charge, partly or wholly, which would normally be payable.

3. **[New]** Roles and responsibilities

The governing board will be responsible for:

- The management of the school's delegated finances
- Ensuring the school acts in accordance with this policy at all times.
- Ensuring money is spent for the educational benefit of pupils attending the school, and for the benefit of pupils in other schools.
- Recognising its legal requirements regarding charging for school activities under the Education Act 1996 and meeting all additional guidance provided by the DfE.

The headteacher will be responsible for:

- Prioritising and allocating financial resources appropriately, ensuring efficiency, effectiveness and probity in the use of public funds.

Clearwell C of E Primary School Charging and Remission Policy

- informing parents on low incomes and in receipt of specific benefits of the support available to them when being asked for contributions towards the cost of school visits.
- Liaising with parents and staff regarding any charges being applied and making decisions regarding appropriate remissions on a case-by-case basis.

The SBM will:

- Process and record payments for activities, taking into account any remissions applied.
- Ensure that the correct invoices are sent to parents, and that payment is received

4. Charging for education

The school will not charge for:

- Admission applications.
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment).
- Education provided outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for by the school, or part of RE.
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless provided at the request of the pupil's parent.
- Entry for a prescribed public examination, if the pupil has been prepared for it at the school.
- Examination resits, if the pupil is being prepared for the resits at the school.

The school may charge for:

- Materials, books, instruments or equipment, where the child's parent wishes their child to own them.
- Optional extras.
- Music tuition (in certain circumstances).
- The use of community facilities and other commercial activities.
- Provision of information within the scope of freedom of information.

The school will make it clear that, in the following circumstances, it will propose to remit (wholly or partly) any charge which would otherwise be payable to the school:

- For example, the school may decide to provide an Italian language evening class as an optional extra. The governing body may decide to reduce the cost for those children whose parents are in receipt of certain benefits.

5. **[Updated]** Optional extras

The school may charge for the following optional extras:

- Education provided outside of school time that is not:
 - Part of the national curriculum
 - Part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Part of RE
- Examination entry fees where the pupil has not been prepared for the examinations at the school
- Transport, other than that required to take the pupil to school or to other premises where the LA has arranged for the pupil to be provided with education
- Board and lodging for a pupil on a residential visit
- Extended day services offered to pupils, e.g. breakfast, after school clubs, tea and supervised homework sessions.

When calculating the cost of optional extras, an amount may be included in relation to the following:

- Materials, books, instruments or equipment provided in relation to the optional extra
- Buildings and accommodation
- Non-teaching staff (including TAs)
- Teaching staff under contracts for services purely to provide an optional extra
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide vocal tuition or tuition in playing a musical instrument, where the tuition is an optional extra

The school will not charge in excess of the actual cost of providing the optional extra divided by the number of participating pupils.

[Updated] Charges applied will not include an element of subsidy for any pupils wishing to participate but whose parents are unwilling or unable to pay the full charge.

The school will not charge for supply teachers to cover for teachers who are absent from school accompanying pupils on a residential visit.

Participation in any optional activity will be on the basis of parental choice and a willingness to meet the charges; therefore, parental agreement is a prerequisite for the provision of an optional extra where charges will be made.

Clearwell C of E Primary School Charging and Remission Policy

If a charge is to be made for a particular activity, such as optional extras, parents will be informed of how the charge will be calculated.

6. Voluntary contributions

The school may, from time-to-time, ask for voluntary contributions towards the benefit of the school or school activities. If an activity cannot be funded without voluntary contributions, the school will make this clear to parents at the outset. The school will make it clear to parents that there will be no obligation for parents to make any contribution. Parents will be notified regarding whether assistance is available.

No pupil will be excluded from an activity simply because their parents are unwilling or unable to pay. If a parent is unwilling or unable to pay, their child will still be given an equal opportunity to take part in the activity and the school will set out how places will be allocated from the outset. If insufficient voluntary contributions are raised to fund an activity, and the school cannot fund it via another source, the activity will be cancelled, and this will be made clear to parents.

The school will strive to ensure that parents do not feel pressurised into making voluntary contributions. Measures which may make parents feel pressured, such as colour coded letters and direct debit or standing order mandates, will not be sent when the school requests contributions.

7. Examination fees and resits

The school may charge for examination fees if:

- The examination is on the set list (which includes SATs, GCSEs and A-levels), but the pupil was not prepared for it at the school.
- The examination is not on the set list, but the school arranged for the pupil to take it.
- A pupil fails, without good reason, to complete the requirements of any public examination where the governing board or LA originally paid or agreed to pay the entry fee.

Where a pupil is entered for a second or subsequent attempt at an examination, the school will pay the fee. Once pupils have left the school, resits must be taken at the school.

If a pupil or their parent consider it to be in the best interests of the pupil to request that an examination is re-marked, any fees involved will be covered by the pupil or their parent. If the awarding body changes the overall grade of the result, the school will not be charged by the awarding body and the parent or pupil will have their fees refunded.

8. Music tuition

The school is aware that instrumental and vocal music tuition is an exception to the rule that all education provided during school hours must be free. The Charges for Music Tuition (England) Regulations 2007 allow for charges to be made for vocal or instrumental tuition provided either individually or to groups of any size – provided that the tuition is at the request of the pupil's parents. In such cases, the charges applied will not exceed the cost of the provision, including the cost of the staff providing the tuition.

There will be no charges applied if the music tuition is an essential part of the national curriculum.

Charges will not be made if the teaching is provided under the first access to the KS2 Instrumental and Vocal Tuition Programme.

No charge for music tuition will be made in respect of pupils who are LAC.

9. Transport

The school will not charge for:

- Transporting registered pupils to or from the school premises, where the LA has a statutory obligation to provide the transport.
- Transporting registered pupils to other premises where the governing board or LA has arranged for pupils to be educated.
- Transporting pupils to meet an examination requirement when they have been prepared for the examination at the school.
- Transport provided for an educational visit.

10. Residential visits

The school will not charge for:

- Education provided on any visit that takes place during school hours.
- Education provided on any visit that takes place outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of RE.
- Supply teachers to cover for teachers accompanying pupils on visits.

The school may charge for board and lodging, but the charge will not exceed the actual cost.

Parents will be exempt from board and lodging costs if they can prove that they are in receipt of one or more of the following benefits:

Clearwell C of E Primary School Charging and Remission Policy

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit, provided that they are not also entitled to Working Tax Credit and have an annual gross income of no more than £19,995 (in the 2024/25 tax year)
- Working Tax Credit run-on – paid for four weeks after they stop qualifying for Working Tax Credit
- Universal Credit – if they apply on or after 1 April 2018, their household income must be less than £7,400 a year (after tax and not including any benefits they receive)

The school will provide a form for parents to submit and provide proof of receipt of one of the above benefit payments in order to be eligible for the exemption.

11. Education partly during school hours

The school will follow DfE guidance when determining whether an activity is deemed to take place during school hours or not, as set out below:

- If 50 percent or more of the time spent on an activity occurs during school hours (including time spent travelling if the travel occurs during school hours), it will be deemed to take place during school hours and no charge will be made.
- If less than 50 percent of the time spent on an activity occurs during school hours, it will be deemed to have taken place outside school hours and the school may charge for the activity; however, the school will not charge if the activity is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of RE.
- Whatever the start and finish times of the school day, regulations require that the school day is divided into two sessions. School hours will not include the break in the middle of the day.

The remission of charges for board and lodging payments is the responsibility of the school. These costs will be borne by the school.

Any charges for extended day services will be optional.

If the number of school sessions covered by the visit is equal to or greater than 50 percent of the number of half days (any period of 12 hours ending with noon or midnight on any day) spent on the visit, it will be deemed to have taken place during school hours and the school will not charge for the activity.

12. Damaged or lost items

The school may charge for the cost of replacing items that are damaged or lost due to the negligence or poor behaviour of pupils or their parents. Parents will only be charged the replacement cost to purchase the same or equivalent item. The school will consider waiving costs in exceptional circumstances, e.g. financial hardship.

13. Remissions

The school will set aside a fund to enable parents in financial difficulty to send their children on visits and activities. The funding will be limited and there is no guarantee that all requests can be met. Assistance will be allocated on a needs basis, and if the full cost of the trip or activity cannot be met through assistance funding and voluntary contributions, the trip or activity will be cancelled.

Parents in receipt of any of the following benefits may request assistance with the costs of activities:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit, provided that they are not also entitled to Working Tax Credit and they have an annual gross income of no more than £19,995 (in the 2024/25 tax year)
- Working Tax Credit run on – paid for four weeks after they stop qualifying for Working Tax Credit.
- Universal Credit – if they apply on or after 1 April 2018, their household income must be less than £7,400 a year (after tax and not including any benefits they receive)

To request assistance, parents should contact the **School Office** via **telephone 01594 834904** or email **admin@clearwell.gloucs.sch.uk**.

14. School trip refunds

All initial deposits for school trips will be non-refundable. Parents will be informed of this when they are provided with initial information about the trip.

In the event that the school has to cancel a trip due to foreseen circumstances, parental contributions will be refunded. In the event that a school trip is cancelled by a party other than the school due to unforeseen circumstances, it is at the school's discretion as to whether a refund is given to parents.

Clearwell C of E Primary School Charging and Remission Policy

In the event that a pupil or their parents cancel the pupil's place on a trip, it will be at the school's discretion as to whether a refund is given. The school will take into account the reason for cancellation, whether the school will be reimbursed for the pupil's place on the trip, and whether the place on the trip can be offered to another pupil.

Where a pupil or their parents have previously cancelled a place on a trip and received a full refund, the school will have the right to refuse to allow the pupil to attend future trips and visits.

In the event that a pupil cannot attend a trip at the last minute, e.g. due to illness, it will be at the school's discretion as to whether a refund is given. The school will take into account whether the school will be reimbursed for the pupil's place on the trip and whether the place on the trip can be offered to another pupil.

In the event that a school trip is postponed due to unforeseen circumstances, it will be at the school's discretion as to what happens with the parental contributions for the trip. The school will consider its options, which could include carrying forward the money until the trip takes place, transferring the money to another trip, or refunding parents.

In the event that the decision is made to postpone a trip due to foreseen circumstances, it will be at the school's discretion as to what happens with the parental contributions for the trip. The school will consider its options, which could include carrying forward the money until the trip takes place, transferring the money to another trip, or refunding parents.

Once trip arrangements have been booked and confirmed, if contributions exceed the total cost of the trip, a refund will be given where the excess is greater than £1 per pupil.

The school will deal with cancellations and refunds on a case-by-case basis, ensuring that all pupils and their families are treated equally.

If a parent wishes to make a complaint about refunds, they will be able to do so via the Complaints Procedures Policy.

15. School Lunches

Clearwell C of E School has adopted a strict NO DEBT policy relating to the school meal service.

If debts are incurred, then the school budget has to pay for them. This means that money which should be spent on the children's education is used to pay for debts incurred by parents. Every parent will agree that this is unacceptable and we request that all parents give this policy their full support.

No parent would take their child to McDonalds and expect them to be given food without paying; the same applies at school. If parents believe that their children may

Clearwell C of E Primary School Charging and Remission Policy

qualify for entitlement to Free School Meals please contact the office for more details. This allowance is a statutory right and it is important that you use it if you qualify. We will help you all we can with your application.

Parent/s **must** pay in advance for the school lunch using any of the methods of payment outlined below:

- Online using ParentPay

Children will not be provided with a school lunch unless it is paid for, except those that are entitled to free school meals. If a parent genuinely forgets to pay in advance, the school may grant a debt allowance of one meal. However this debt must be paid next day and future meals must be paid in advanced before any meal is provided.

If the debt is not cleared, parents must either provide a packed lunch or take the child home for lunch. In a case when a debt payment is not received nor a packed lunch provided, the parent will be called and asked to come to school with the money or ask them to pay online immediately. Otherwise they must provide sandwiches before lunch time or arrange to take their child home for lunch.

If payment of the debt is not received by the next day, the Headteacher reserves the right to begin legal proceedings against parents to recover the debt. Social services may also be informed that these parents are not carrying out the responsibility of care by not providing food for their children at lunchtime.

It is hoped that by implementing this debt policy we are able to help parents manage school dinner money better and at the same time ensure that all money that is for children's learning is available.

16. Freedom of Information Policy and Publication Scheme

The school's Freedom of Information Policy will set out where fees may be charged for the provision of information.

17. Monitoring and review

This policy will be reviewed at least annually by the governing board.
